Black screen where ROCKMAN and PRODUCER are speaking

PRODUCER

Hey look man, I've got a big opportunity for you here. You'd be able to make a ton of money and live your best life!

ROCKMAN

Well, that sounds great and all... but what about my bandmates and my freedom?

PRODUCER

Who cares about that stuff when you're making big bucks?! Anyway, the choice is yours, Rockman.

ROCKMAN

Making a lot of money would be nice, but I also want to make music the band and I enjoy. Let me think on it.

PRODUCER

I'm really glad you decided to work with the label and I. How are you feeling?

ROCKMAN

I'm feeling alright, but the band is feeling pretty down about the choice.

PRODUCER

Bah, I'm sure they'll come along, they always do. Now, let's get to work and make some music together!

PRODUCER

You know, I'm pretty disappointed in you. We could of made a LOT of money together, what a shame.

ROCKMAN

I'm doing it for what's best for the band and myself. We feel happier this way.

PRODUCER

Whatever man, you'll see how it pans out!

PRODUCER

We've got quite a bit of work to do. Tell your band to be ready for a long day of working.

ROCKMAN

Alright, well... are we going to get some breaks?

PRODUCER

Yeah, we're allowing you guys to have a lunch break.

ROCKMAN

That's it?

...

This really is going to be a long day.

BANDMATE(s)

Man, I'm really glad that we decided to let our creativity flow. It really brings out the personality and shows our love for music.

ROCKMAN

Agreed, I'm feeling real good about making some new music with everyone.

BANDMATE(s)

Let's get some grub and then jam out then!

ROCKMAN

Sounds good to me!

PRODUCER

Alright, you guys need to step it up. This really isn't going to cut it to make the top 40 billboards.

BANDMATE(s)

We're trying our best here man! All we had was a lunch break and we've been here for 8 hours already! (rambling and upset)

ROCKMAN

Alright, alright. Calm down everyone. He's just trying to make sure we're staying on track to being the best we can be!

BANDMATE(s)

Yeah, but at what cost Rockman. It's not like we had majority rule over this decision.

ROCKMAN

I'm sorry guys! I just want us to live without worrying about our finances. This way, we can make sure that we have enough money to be set for life.

BANDMATE(s)

Whatever.

PRODUCER

Geez, this music sucks! I could of made it so much better and got you guys rolling.

BANDMATE(s)

Hey man, it might sound bad to you, but we've got fans and we love our own music! We're sorry you can't see the importance in it.

ROCKMAN

There's no need to call our music bad or discredit anybody. That's a little rude.

PRODUCER

Just how life works man. Hope you guys soon realize how much you needed me!

ROCKMAN

We won't ever need you. We chose this lifestyle and there's no buying happiness with fake income.
